

# HIDDEN FIGURES

## Mission:

- Foster inclusivity and diversity in physics and astronomy by creating an accessible, searchable online database that **highlights the contributions of historically marginalized scientists**
- Support retention and identity development of marginalized students by **providing resources to incorporate diverse role models into courses**

Webpage: <https://hiddenfigs.github.io/>

**Team:** Javier Duarte, Mario Affatigato, Wen-fai Fong, Lydia Kisely, Catherine Kealhofer, Katherine Aidala, Ryan Trainor, Mark Ilton, Gail Zasowski, Yue (Steve) Yin\*, Katie Ameku\*, Lavanya Arora\*, Selina Zhang\*  
\*Students

**Contribute:** Visit the webpage (scan QR code) to see the database and submit entries or feedback!
